

***Leave a Legacy  
Sponsor a Seat***

Over the last few years, you've seen improvements to the Ankeny Community Theatre. From something as simple as a fresh coat of paint to the addition of air conditioning, we are committed to making your ACT experience as pleasant as possible. In 2014, we installed premium theater seats that allowed us to expand our seating capacity, gave our patrons greater comfort, and provided community members an opportunity to make a unique statement of support for the Ankeny Community Theatre.

For a \$100 tax-deductible gift to ACT, you can sponsor a seat. In return for your donation, an engraved plate will be permanently affixed to the back of a theater seat. This plate can either acknowledge you as donor ("Sponsored by John Doe") or give you the opportunity to sponsor the seat in honor of a loved one ("Dedicated to Jane Doe").

Seat sponsorship does not imply that you will be seated in that particular seat nor does it grant you free admission to any performance. This sponsorship opportunity is not related to ACT's annual Membership Campaign. Please send your check or money order with the completed form below to Ankeny Community Theatre, PO Box 122, Ankeny, IA 50023
