## **Announcing ACT's 1994-1995 season!**

The thirteenth season for ACT is scheduled to be staged in the new theater and promises to be an audience-pleaser!

***Our Town.* Oct 28 - Nov 12** Director, Steve Stone

Thomton Wilder's warm and deeply human play about growing up and living and dying.

***Company.* Feb 10 - Feb 25** Director, Gail Shay

A sophisticated comedy about a single guy whose friends have all gotten married, and they try to persuade him to follow suit. The challenging Stephen Sondheim music promises to provide quality live theater entertainment.

***Arsenic and Old Lace.* Apr 21 - May 6**

Director, Kevin Sprague

ACT wraps up the season with the famous comedy hit about three charming and "innocent" ladies who populate their cellar with the remains of socially and religiously acceptable roomers.

Ticket prices remain the same this season — \$6.00, \$4.00 for seniors and students. Season tickets will be \$15.00 and \$10.00. Get your season tickets now and save on the price of individual tickets!

The details have not been worked out yet about a dinner theater show in the new facility, so the season ticket will cover the play, and dinner will be additional.
